Vince,

I never heard from you or from Lynn, hence Antoinette we did not put you on the meeting invite.

But, if you are interested, here are the materials.

Lynn and Becki,

Here are updated responses to the NIOSH and OMB late comments on the EtO assessment post peer-review.

I'll start the ball rolling to schedule a time to discuss these next week.

Becki - I'll assume you don't want to be in the meeting, but, **let Antoinette know if you do want to be in that discussion.**

Lynn - **please include anyone else you'd like to include from the IO.** I'll copy Norm and Vince so that they at least know about it. I seek to include Norm in the scheduling, but again, add anyone else you would like to add.

Thanks,

David

Per prior discussion, I'll assume we will not set up a meeting with Interagency group members.
